

I am mocha and you are the cup.  
You cradle my chocolateness  
and add the caffeine from your soul.  
Scream for cream to infiltrate my Mocha.  
Swirls of that temptation mix up my world  
into a dream of spirals and sugary goodness.  
You are so good.

TOPAZ HOOPER

I dreamed that you were a bee,  
that one day gaily flew along,  
You came across the hedge to me,  
And sang a soft, Love-burdened song.  
You brushed my petals with a kiss,  
I woke to gladness with a start,  
And yielded up to you  
in bliss the treasure fragrance of my heart;  
And then I knew that I had waited there for you.
